PRO FUTURES TOURNAMENT OCTOBER 1-7

Our Annual USTA Pro Futures Tournament is underway through October 7. The tennis at this event is as good as that seen at any tennis event around! Mark your calendar and plan to come out and watch these young tour hopefuls battle it out for money and points for a place on the Pro Tour.

EMAIL ADDRESSES

STAY IN TOUCH! We continue our quest for email addresses or updates to email addresses. Please email anneb@spearmanclubs.com or call her at 496-2070 X 19.

TEE-HOUSE

One of the best features of the Club is its ability to purchase lunch or snacks at the Tee house. The Tee house is part of El Niguel and much of the food is prepared in the El Niguel kitchen with some quality chefs. We urge all of you to have a nice lunch after playing tennis at the Tee house as it is a relaxing wonderful place. Diane and Olivia try hard to provide great service so tell them LNRCI told you to try the Tee house!

Fall is here, and after a fun summer of kids and vacations it is now time to get back to your game and time on the court. With all of our pros and all of clinics now is the time to invigorate your game. Kate and Rob are the new pros on staff and really have a lot to offer to the whole membership. With all of our teams and leagues in full gear, it is time to commit yourself to that certain area of your game that you can improve in order to enjoy the fall tennis season. Let me know your interest and time frame and we can direct you to the right day and level of play.

This year is the first year for me to be coaching the Varsity girl's Tennis team at Dana Hills High School. I love coaching and the girls on this team are fun and a pleasure to coach. With the talent we have we hope to catch the boys and also take the Division One title home. Here are the girls from the club that will make it happen: **Sara Leech and Kristina Smith** (Captains), **Joanna Smith, Brynn Boren, Jenny Beck, Laura Wilke, Aerial Tomaiko, Catherine Fevery, Karly Pletcher, Katie Spearman, Alyssa Meister, Katie Kronk, Lexi Usgaard and Shelby Roberts**. We will be having some home matches at LNRC so we will keep you posted when we make our run to the CIF playoffs.

We also have some very talented players that are playing for the surrounding schools. St Margarets has **Melanie and Hannah Hess** and **Francis Lydon**, and they are VERY strong again this year. JSerra has **Lauren Gelgur, Alson Heinrech** and **Alexandra Sobieraj**. And Aliso has **Kimya Sadaghiani** and **Jordyn Wolf**...If there are girls I missed do not hesitate to let me know, and we will get the JV girls next month when I hear all the good tennis they are playing. Whether it is JV or Varsity tennis be proud to play for your school and best of luck to all schools. See you on the courts!

Several big things to announce. First, I hope everyone attends the Square Dance on October 20th. I know tennis and fitness players love to dance, and while different, our 'Ho Down' will be a lot of fun! Bring your kids, bring your friends...it will really be lots of fun!!!! The food will be REALLY great, too. This is a new event that we are bringing to you based on membership feedback of things you would like to have at the Club, so please support our efforts to expand our activities at the Club. We have discounted the price for families, and we are offering child care for kids 6 and under. Be there!

Second, we are buying new spin bikes for the LNRC Spin Center!!! We have previously re-furbished our old bikes, we have replaced them with almost new bikes from our old Club in San Diego, but it is time for new bikes at LNRC. Thus, now is the time to give spin a try. Our Instructors are the best, and now our bikes will be, too.

Date Night in August was a huge success, so we are scheduling the next two, as follows: November 16th, 2007 and Valentine's Day in 2008!!! Date Night allows members to drop off their kids at the Club, where they will be supervised by our experienced child care staff. We have an ages under 7 section and a 7-13 section to better care for your children. The parents can go out, enjoy a "Date Night," then come back to bring their little ones home. Sign up early to enjoy the fun. This is a free service to Club family memberships. Non-family memberships and guests to the Club are welcome for an additional fee.

Lastly, very cool that my brother Mark is involved with DHHS's girls tennis! I hope the members come out to support their matches. Best of luck to ALL the Club members playing girls high school tennis this fall!

One of my goals for our family business is to assign the business work load to my sons while I am still active so that each of the Spearman Boys has experience dealing with the challenges they will face when I am no longer active--while I am still here and alert enough to help them get through any challenges that they might face. To accomplish this goal I have made some management reassignments. Steve has been serving as Company Chief Operating Officer for several months. Mark has been in charge of tennis activities company wide, and Scott has been in charge of Marketing Fitness and renovation.

Steve has continued as GM of LNRC while serving as COO and this has stretched him too thin. Therefore, starting October 1st Scott will become Co-General Manager of LNRC with Mark. Mark will continue to administer all tennis activity and Scott will handle everything else. They will report to Steve on LNRC duties and will report to me on corporate activities. Scott will have corporate wide responsibilities for fitness, and food service and renovation. Mark has corporate wide responsibility for tennis related functions.

This new assignment of duties takes effect October 1st, and I hope all of you join me in wishing the Spearman Boys luck as they assume their new duties. All of the Spearman Boys are doing a great job for Spearman Clubs, and this will allow them to make an even bigger contribution the Club's success.
